

# WASH GUARD™

COOLWALL  
SYSTEMS

**BK'S CARWASH**

## Features & Benefits

- Revolutionary coatings system specially formulated to provide a long-lasting surface for both interior and exterior walls of automated and manual carwash stalls.
- Patented technology provides high gloss, weatherproof surface that repels soaps, chemicals, dirt, oil, and grease.
- Eliminates the need for constant repainting due to coating failures caused by common carwash conditions.
- Has heat reflective technology in all colors, which leads to superior fade resistance.
- Is available in over 570 colors allowing carwash owners to enhance visual appeal.
- Photo above shows stall walls after over 4,000 automatic wash cycles. The **TEX•COTE® COOLWALL® WASH-GUARD™** System still looks new with no touch-ups, repainting, or repairs required.
