

TEX•COTE®
TEXTURED COATINGS OF AMERICA, INC.

BRIDGE COTE®
SYSTEMS

Specified on 7 out of the Top Ten Bridges in America...

Textured Coatings of America has been a major player in *D.O.T. Construction* for over 35 years. *30 States* and the *Federal Hwy Administration* have named **TEX•COTE®** the "*Product of Choice*" on all new and restorative concrete projects.

When *Roads & Bridges* magazine announced their picks for the *Top Ten Bridges in America*, no one was surprised to learn that **TEX•COTE®** was being used on seven out of the Top Ten Bridges.
